About Us

Wealthub is a specialized partner in financial, accounting, tax, and business solutions in the United Arab Emirates.
We help companies and entrepreneurs manage their businesses efficiently through integrated services, including auditing, accounting and bookkeeping, tax compliance, business setup, and company liquidation.
Our goal is to simplify operations, strengthen compliance, and provide clear financial insights that help businesses make better decisions and achieve sustainable growth.

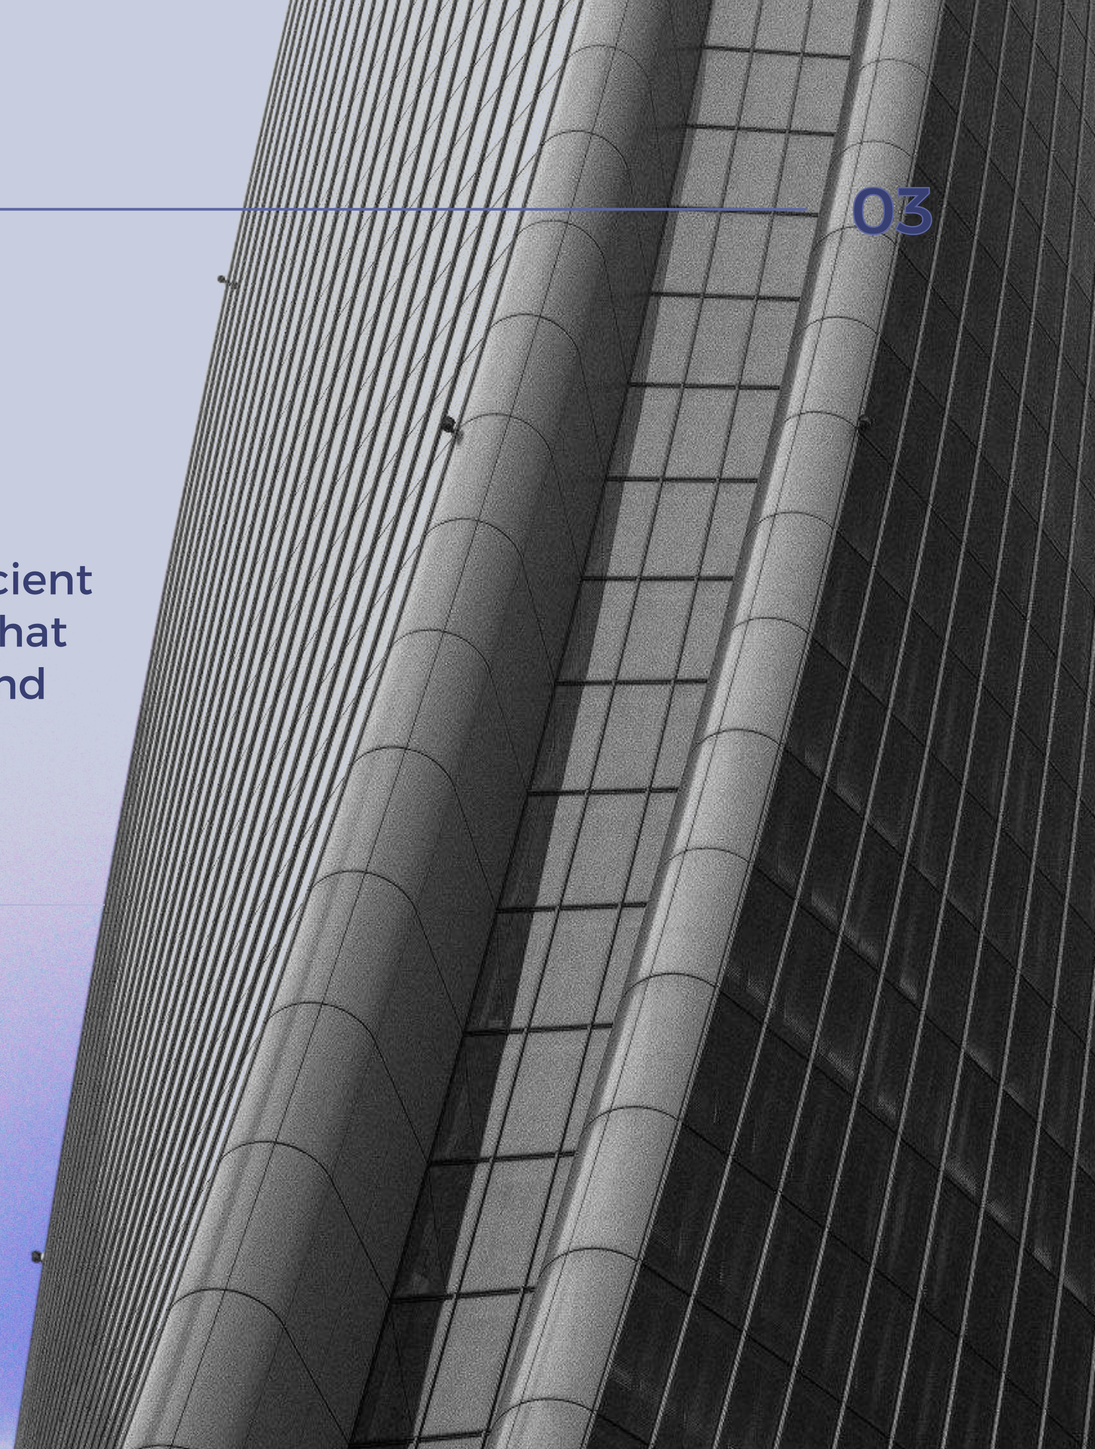

Financial Expertise. Integrated Solutions. Trusted Partner.

Our Vision

Simplifying Business. Enabling Growth.
We aim to make business management clearer and more efficient through professional financial, accounting, and tax solutions that help companies achieve compliance, improve performance, and build a strong financial foundation for sustainable growth.
We simplify the numbers. We enable better decisions.

Our Mission

Financial Clarity That Supports Business Success
We provide reliable financial, accounting, and tax services tailored to each client’s needs, helping them manage their businesses efficiently, meet their obligations, and make informed financial decisions based on accurate information.

Our Values

01 **Professionalism**

We are committed to accuracy, expertise, and the highest standards of quality.

02 **Integrity**

We build relationships based on transparency and trust.

03 **Accuracy**

We handle your financial data with precision and care.

04 **Excellence**

We are committed to accuracy, expertise, and the highest standards of quality.

05 **Collaboration**

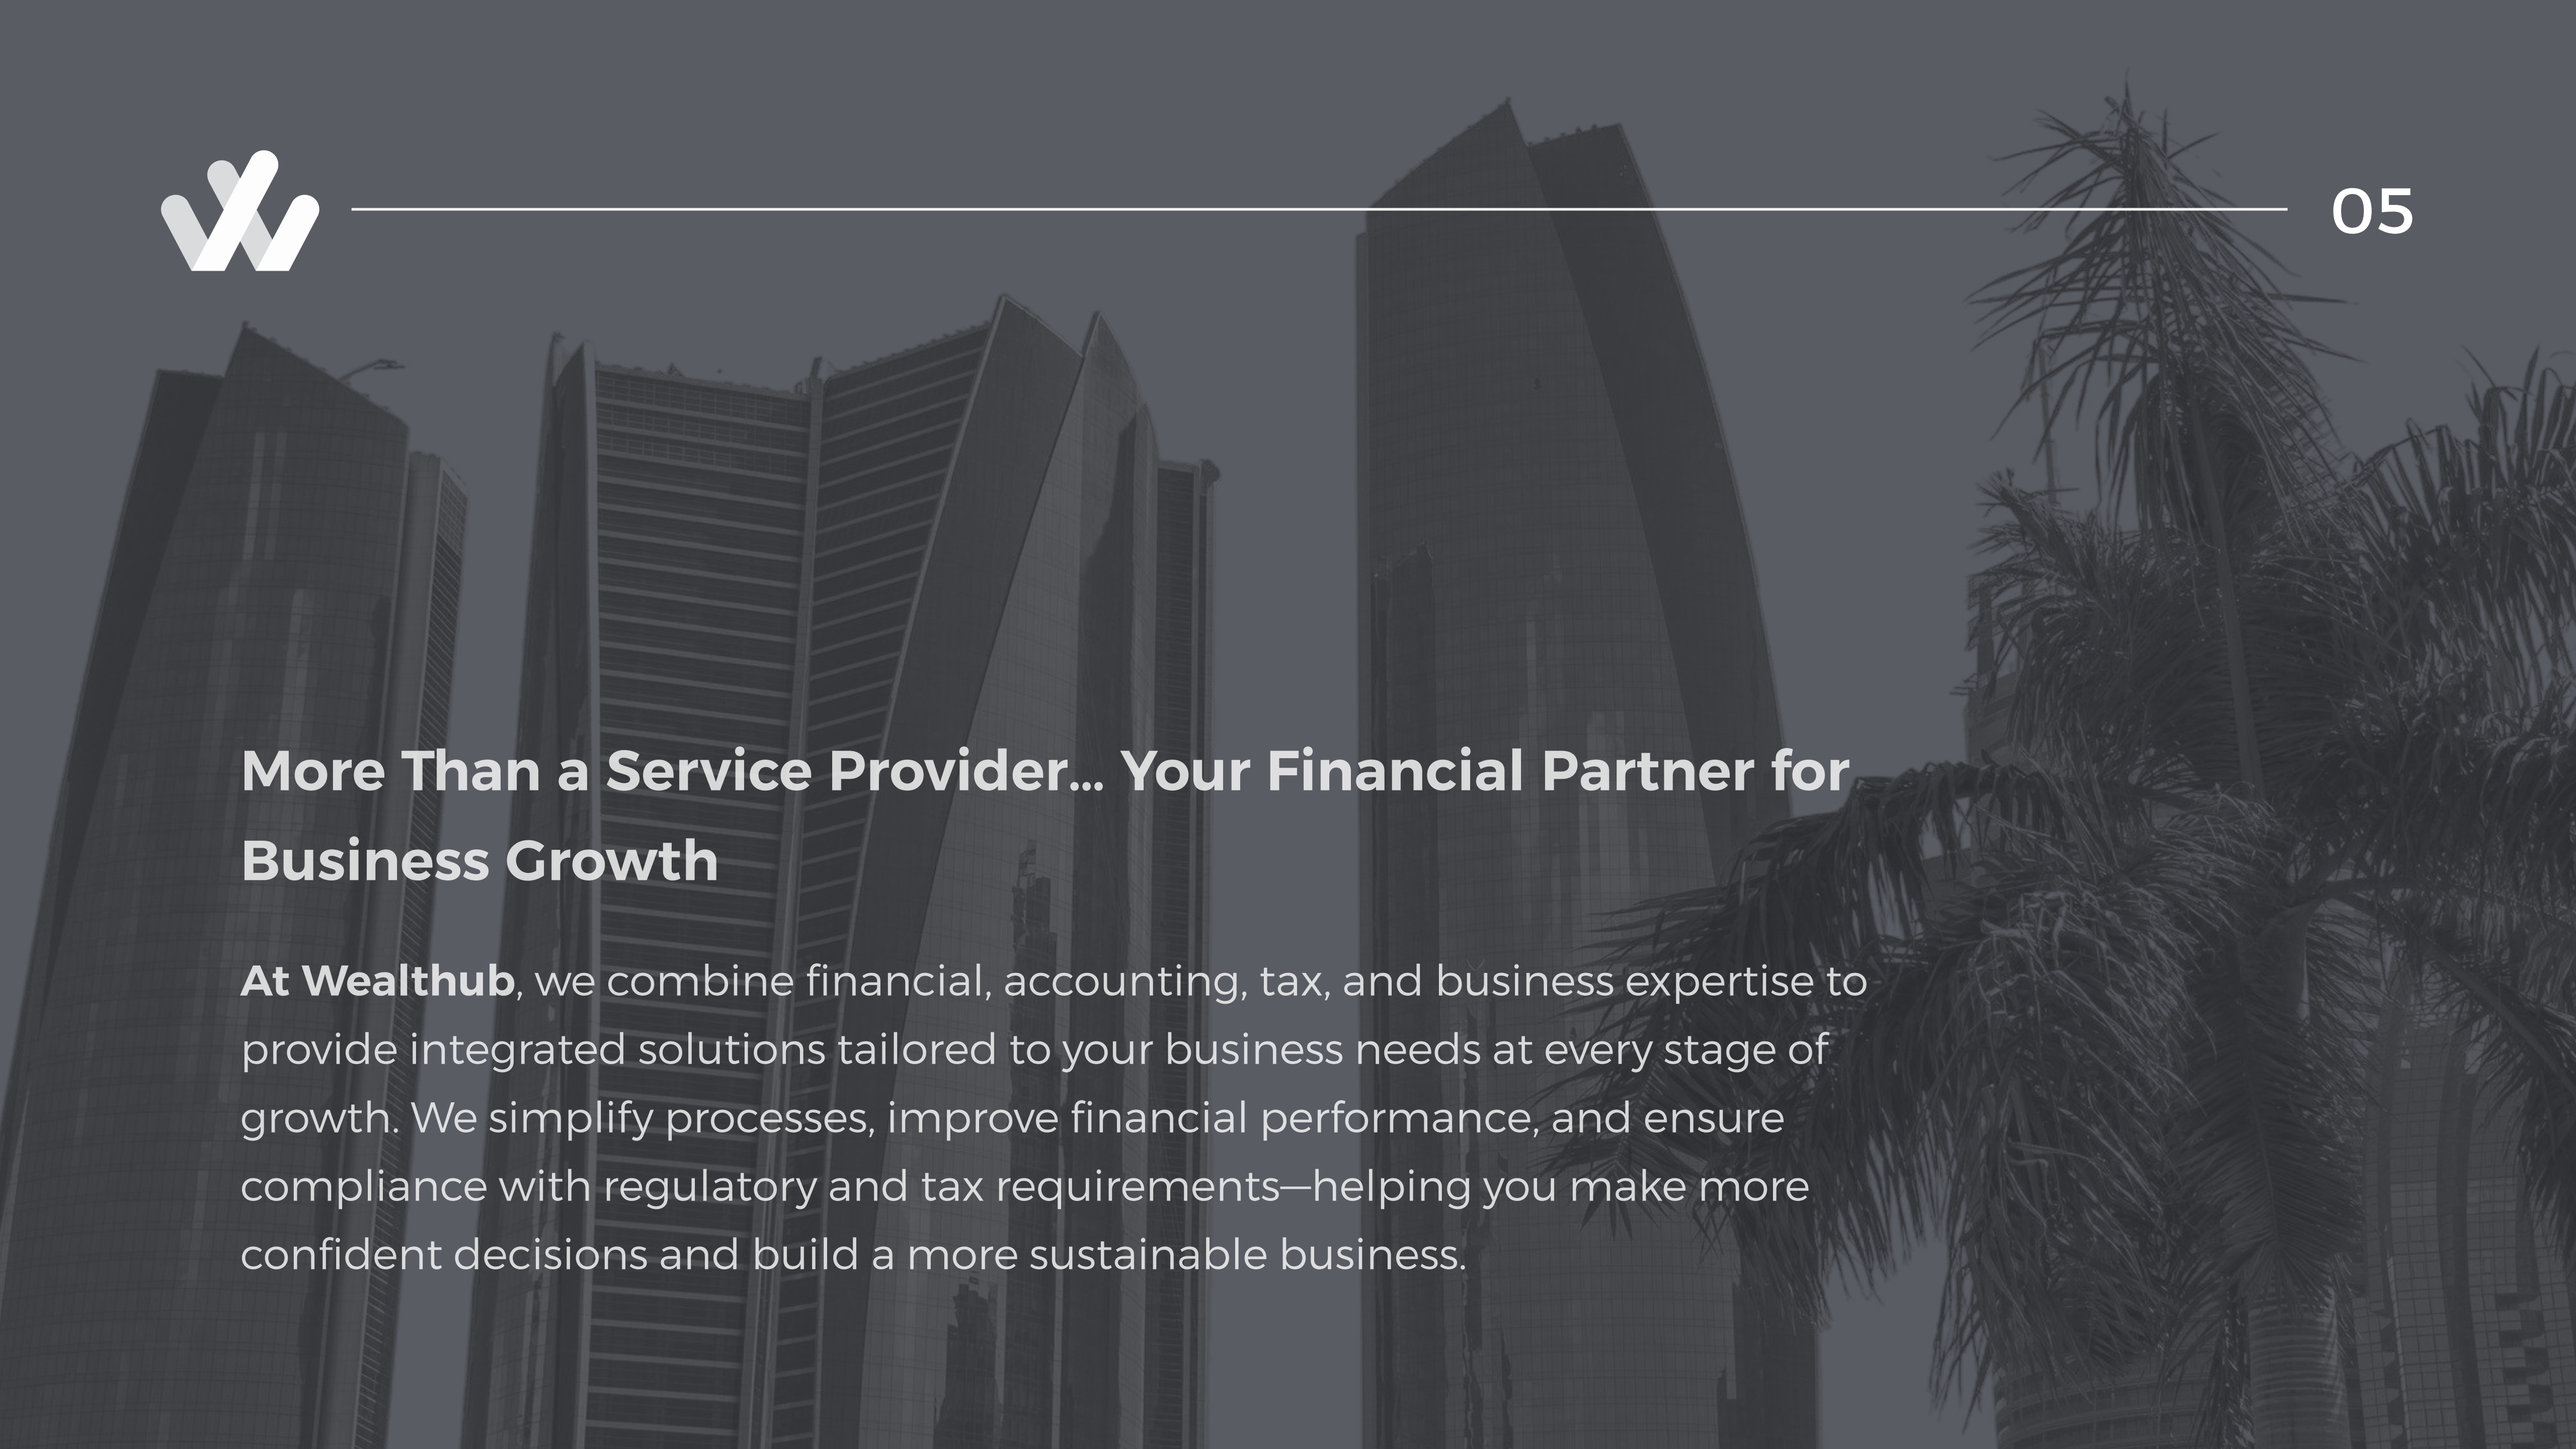

We work closely with our clients to understand their needs and goals.

06 **Compliance**

We ensure compliance with applicable requirements and regulations.

07 **Flexibility**

We provide solutions that adapt to the nature and evolving needs of each business.

More Than a Service Provider… Your Financial Partner for Business Growth

At Wealthub, we combine financial, accounting, tax, and business expertise to provide integrated solutions tailored to your business needs at every stage of growth. We simplify processes, improve financial performance, and ensure compliance with regulatory and tax requirements—helping you make more confident decisions and build a more sustainable business.

Why? Wealthub

Auditing & Tax Services

Long-Term Partnership

We don’t provide one-time services; we support you as your business evolves.

Integrated Solutions

A specialized team supporting you throughout every stage of your business.

Accuracy & Compliance

Accurate data and compliance with regulatory and tax requirements.

Specialized Expertise

A dedicated team supporting you across all stages of your business.

Tailored Solutions

We provide services tailored to your business nature and specific needs.

Local Expertise

In-depth knowledge of the UAE market, regulations, and local requirements.

01. Auditing & Assurance

We provide auditing and assurance services that help businesses verify the accuracy of their financial statements, enhance transparency, and support confident decision-making.

Our Services

- Financial statement auditing and assurance
- Audit report preparation
- Review of financial records and data
- Evaluation of financial procedures and controls
- Support with financial compliance requirements

We help you gain a clearer and more reliable understanding of your financial position.

02. Accounting & Bookkeeping

We provide comprehensive accounting services that help you maintain accurate, organized financial records and gain clear insights into your business performance.

Our Services

- Bookkeeping and accounting
- Recording financial transactions
- Accounting software setup
- Financial reporting
- Organizing and maintaining financial records
- Preparation of financial statements

We handle the financial details, so you can focus on managing and growing your business.

03. Tax Compliance & Return Filing

We help businesses understand and meet their tax obligations on time, with a focus on accuracy, compliance, and risk reduction.

- **Our Services**
  - Corporate Tax Registration
  - VAT Registration
  - Preparation and Filing of Tax Returns
  - Tax Consulting
  - Review of Tax Obligations
  - Support with Tax Compliance Requirements

We help you manage your tax obligations with clarity and professionalism

04. Business Setup

We simplify the business setup process in the UAE and help you choose the right structure, activity, and license to meet your business needs.

Our Services

- Feasibility Studies
- Market Research
- Company Formation & Licensing
- Obtaining Initial Approvals
- License Registration
- License Amendments
- Customs Code Registration
- Trademark Registration
- Patent Registration
- Industrial Design Registration

We help you navigate the business setup process with clarity and confidence.

05. Company Liquidation

We help businesses close and liquidate their operations in an organized manner, handling the relevant financial and regulatory requirements.

Our Services

- License Cancellation
- Company Liquidation
- Preparation of Required Documents and Requirements
- Follow-up on Closure Procedures
- Support with Financial and Tax Requirements Related to Liquidation

We ensure a clearer and more organized liquidation process.

The Wealthub Journey

1. ESTABLISH

We help you establish your business and choose the right structure and license.

2. ORGANIZE

We build an organized accounting system and maintain accurate records.

3. COMPLY

We support you with your tax obligations and return filing.

4. REVIEW

We help you assess and review your financial data.

5. GROW

We provide clearer financial insights to help you make better decisions.

6. LIQUIDATE

When your business comes to an end, we support you through the liquidation and closure process.

Who We Serve?

We provide financial, accounting, and tax solutions tailored to meet your business needs at every stage. From establishment and growth to investment, expansion, and even liquidation and closure, we support you with expertise and integrated solutions.

Entrepreneurs

From business setup to growth and management.

Startups

Building a strong financial and accounting foundation for growth.

Investors

Financial and tax solutions to support their investments.

Established Businesses

Ongoing accounting, tax, audit, and compliance support.

Companies Liquidation

Structured support for liquidation and closure.
